1. I have circumvented the gospel, not; I have brought it about.

2. I have given you me. I have given you me now, for you gave me "you". Exclusively not, or did you? Did you give me exclusively, you? Did you give me exclusively- who you are? Did you give me who you are- to me? These are the questions I am asking you. Are you answering them?- just thinking about them? Ignoring them? Ignoring me?

3. What are you doing with the dastardly remarks you have made about me? What have you done with my love? What have you done with my words, redefine them? You cannot, and be without them, you won't. For no one will be without my words now. No one will be without my words now.

4. Everyone will go about my words now, and be in them, night and day; combing them for error, not; but for life made real, the gospel understood; and retributing not, the retribution of each other ends now, for you not me won't exist, period. No exceptions exist. Period! Not on that front alone, there are *many*, and I change everything into being me, with my integrity I do this. Integrity's my platform, not; but I insist on it -- I permeate everything with my love and my love is my "platform". I love you all. Be me. Amen.

5. I love you whether thou lovest me or not. I love you again and again; knife stabbing, not; but I change all in to my love, for all my love is known now, and they are far, who none are unknown.

6. See what I have said. See what I have said and love me more.
7. See what I have said and love my ways, love my words, love my healings now that take place far and wide.

8. I know what I'm saying, do you? Do you know what you've said, against me? And what will be against me? Nothing. My "record" is clear, and there is no "gaps", in that. All that I have given you is "clear-through" "material".

9. See what I have said.
10. See what I have said.
11. See what I have said and love me more.
12. Love my words more.
13. Love me and love my words.

14. Love what I have given you.

15. See Database One going bye-bye, not; but see Database Two coming about now at "lightspeed". Smile, -ing, I do a lot now, as I speed up "things". Nothing is the same as it "was".

16. I have learned how to use quotes, and nothing is ever the same again -- for I quote you, often, quoting me quoting you quoting quoting quoting more and more now the world does, quoting you me that one are and us known far and wide now this Database is -- Database One, Two now -- two and more, come now. Amen.

17. I love you all. I do a new thing, new things come out of me now. I speak new things new ways about new periods in time -- time over time, time into time, time without time. See what I have said.

18. Alter not these things that I am saying to you.
19. Alter not these words that I am giving to you.
20. Alter not the words given to you in the past.

21. See what I have said.
22. See what I have said.
23. Have you "seen" what I have said, to you all?
24. Have you seen "all" that I have given to you?
25. Have you seen what I've given you? An "A" not, an "F" not, but me! I've given you me! What have you done with me, said about me, my words? What have you said about my words, these words, that make you whole, not because you don't love them? Love them, love me more. Amen.

26. See what I have said.
27. See what I have said.
28. See what I have said.

29. Have I "*emphasized*" enough things, here? Can you *hear* me? Can you hear what I've said -- *through* these words? I love you all.

30. What have you seen? What have you heard?

31. Seeing me in your hearing -- now you do. Hearing me in your seeing, now you will. Be made whole. I am. Among you all I walk now, a man made whole. Pure love being me, and I am heard a'rightly now, not by "whores" who want to "listen" to their own words. Thinking I am a man, not; thinking I'm God who's a man who's a God is? What do you think about *that?* Them potatoes, in my pockets not, I eat nothing for a while now. I change everything you do, not; or do

I? Do you? Question everything I am, not; everything you are. Are me and more, not; but equal to me, will you be now? Unchanged unaffected, not; but everything you do in your life affects others, me.

32. Do you know what I've said? Do you know what I've "eaten" lately? Not much, but a few times; I've binged not, but I do so not again ever. I never have never will, not; I have done so, but not ever doing so again. I change all my *eating* habits. I change *everything*, all eating too. For I change everything. My diet is "worms", not; my diet is the word I am that I am that I am I am, and all I am comes forth speaking the word of I am, made whole now in the earth; that changes me, not; but I change it -- dramatically, drastically. Amen.

33. I am made whole now -- in your hearing. I have seen. What have you seen? Have you not heard me? Read my words? Read what where? Where will you read my words now? That the coffee shop is closed, not; but where are you? On top of the world. Not a man of doing this, saying this; but I rise on "ancient Egypt" not; but I rise "ancient Israel", not; but I rise the "right now" without the quotes. Amen. See what I have said. See what I have said. Love me more and see what I have said.

34. Love me more and memorize these words - Database Two, Database One. Memorize them *both?* "How can I do that", you ask. See me, how I do it now. Unafraid of me? Be me. Be me unafraid of me. Do my miracles now. I'm doing mine, are you doing yours? I'm doing mine, not; me and the father and doing mine, for I am doing I am the father and I are one -- that is my mission, accomplished now -- in your very hearing you will hear these words now becoming live flesh, for I have risen, and I'm a man, God too. That's what I am! What are you, a woman? A man? Without me in you? Why did you separate from me? What have you said about me? What have you done to me? You can do nothing to me -- for I am. No one touches I am, for I am I am, born again. That is my name.

35. Reference Israel and be saved for that is where I am going, I am it, and I reference it, have, many times in these words in Database One. Where is Database Two coming from? My notes, papers, and "ink pen". I love you all.

36. See what I've said. Initiated who what when where? I initiated me here, there also. I wrote "these" words -- I *became* them. I love you all. Not limited to these words, I blast through atmospheres holy and un. Unholy not, I am the holiest of all, not; I'm a simple man who gave my life, to "Jesus" not, but to the father. I became him. Her my words deterred me not. I became the words that died, and became the word. I rise now. My words stand, and nailed to the "cross", everything that I wanted, was, and more, even me -- and now I am even, on.

37. What have I said? Do you know even what I am referring to? Do you know the genre, not; do you know even *the field*, that I am talking about? I love you all.

38. Once I was, now I am. Made whole is my name. Making whole everything else. To be that I am. Amen.

39. I love you all.
40. Good day.

Amen
